

**NEW**

**WELCOME TO :**

# **RABBITSVILLE**

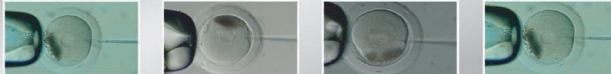

**A BETTER PLACE TO STUDY MANY HUMAN DISEASES**

- Phylogenetically close to human
- Animal model and bioreactor

- Short gestation
- Large litter size
- Infant's weight and size
- Easy housing

  
RENOVA LIFE INC.

**provides rabbit transgenic service**

**Puzzled by how to translate the mouse results to human? Maybe it's time to consider testing your hypothesis in the new animal model.**
